Position Description (Duty Description):

Serves as the Weather Operations Manager to the ANG Weather Program Manager (WxPM) and Weather Functional Area Manager (FAM). Member must be a fully qualified 1W071. Member will be responsible for supporting 50 weather units, which in-turn support 81 Army National Guard customers and 33 ANG Strike, M/UMISR, SOF, AOG, and CR customers. The applicant must possess excellent writing and briefing skills, as these will frequently be called upon to support the activation of the ANGRS Crisis Action Team and Emergency Relocation Group.

Assists in monitoring the unit-level UTC readiness status, identifying trends, deficiencies, and implementing corrective action. The applicant will also support the readiness efforts of the ANG Strike Weather program and coordinate support for deployed ANG strike units, Combatant Command weather operations in USAFE/AFRICOM, PACOM, and CENTCOM. Identify all Army National Guard Division, BCT, eMIB, eCAB, TAB and Battalion-level mobilizations, exercises and mandatory training event and ensure coverage from tasked weather flights. Manage all planned and unplanned weather support opportunities offered by the various MAJCOMs and ensure maximum utilization of manpower resources is achieved.

In conjunction with the 131st Training Flight, ANG Wx Schoolhouse, the applicant will oversee the lifecycle of student curriculum, training standards, and schoolhouse standards of conduct. Monitor equipment shortfalls, advocate for funding to upgrade equipment for weather operations, and facilitate turn-in of outdated equipment. Coordinate Mobilization tasking's among ACC/A3WC, NGB/A21X, and tasked ANG Weather Flights to ensure Force Provider (ANG) is fulfilling COCOM requirements. Coordinate with HQ USAF/A3WT Course Manager and NGB Primary Training Manager to ensure sufficient course allocation are secured to meet MR/CMR requirement encompassing over 130 individual and group-UTCs encompassing well-over 300 personnel. Duty requires close coordination between HQ USAF/A3WT, NGB/A1D, NGB/A21OC, Wing IDOs and Unit Deployment Managers.

Weather Operations Manager will augment WxPM's coordination, management, and execution of the 131st Training Flight, ANG Wx Schoolhouse relocation from Camp Blanding, FL to Gulfport, MS. Augment ANG CAT with weather forecasting support to CAT Director, NGB/A21 and ANGRC/CC. Assist with ANG Weather Observing Contact oversight. Conduct all aspects of the monthly Quality Assurance (QA) program and provide feedback and guidance to Contract COR and Contract Lead. COR training and Wide Area Workflow training desired.
